

1	IDENTIFICATION OF THE CHEMICAL AND OF THE MANUFACTURER, IMPORTEUR OR OTHER UNDERTAKING	
1.1	Identification of the substance or preparation	
	Trade name	Dulon® Poly Polish
	Code of the preparation	
1.2	Identification of the manufacturer	
1.2.1	Manufacturer	Dulon International BV
1.2.2	Street address	Rouwkooplaan 5
	Telephone number	+ 31 - 71 3319288
	Telefax	+ 31 - 71 3319287
	E-mail	info@dulon.com
	Website	
	Name & address in emergency cases	National Poisoning Information
	Emergency telephone number	+31 - 30 2274888
		(only accessible for attending physician in case of occasional poisoning)

2	COMPOSITION AND INFORMATION ON INGREDIENTS					
2.1	ingredients	CAS No.	EC No.	Weight %	Symbols	R

3	HAZARD IDENTIFICATION	
3.1	By correct use and storage: none.	
3.2	Swallowing of larger quantities can damage your health.	

4	FIRST AID MEASURES	
4.1	Special instructions	
4.2	Inhalation	prevent inhalation
4.3	Skin	avoid skin contact wash with lots of water and soap
4.4	Splashes in eyes	rinse immediately and abundantly with water, remove contact lenses,
4.5	Ingestion	drink lots of water and under observance of medical precautions arouse vomiting. call a physician
4.6	Other information	further treatment and observation symptomatic.

5	FIRE-FIGHTING MEASURES	
5.1	Flash Point	
5.2	Autoflammability	
5.3	Suitable extinguishing media	CO2, extinguish powder, water. larger fires can be extinguished with water or alcohol resisting foam. No other means of fire fighting necessary
5.4	Exposure hazards during fire	

6	ACCIDENTAL RELEASE MEASURES	
6.1	Personal precautions	
6.2	Environmental precautions	dispose of material in accordance with Local, provincial and Federal regulations
6.3	Methods for cleaning up	

7	HANDLING AND STORAGE	
7.1	Handling	the usual precautions for handling chemical products should be observed.
7.2	Storage	ventilated storage

8	EXPOSURE CONTROL/ PERSONAL PROTECTION	
8.1	Toxicological Information	not applicable
8.2	Respiratory protection	not applicable
8.3	Eye protection	safety goggles by bottling
8.4	Hand protection	rubber gloves by bottling
8.5	Skin protection	
8.6	Recommended ventilation	

9	PHYSICAL AND CHEMICAL PROPERTIES	
9.1	Physical state, colour, odour	Form: liquid Colour: yellow /white Parfume: mineral oil
9.2	pH# pH# when delivered	9,5
9.3	Information on changes in the physical state	
9.3.1	Boiling point/ Boiling range	not applicable
9.3.2	Flashpoint	
9.3.3	Melting point	not applicable
9.4	Auto ignition point	
9.5	Partition Coefficient: D-Octanol/Water	not applicable
9.6	Vapour pressure	
9.7	Relative density	
9.8	<i>Solubility</i>	
9.8.a	Water solubility	
9.8.b	Fat solubility	
9.9	Viscosity	

10	STABILITY AND REACTIVITY	
10.1	Materials to avoid	open fire
10.2	Hazardous decomposition products	if correctly stored and manipulated, no known products.

11	TOXICOLOGICAL INFORMATION	
11.1	Information	By appropriate use there are no damaging effects known.

12	ECOLOGICAL INFORMATION	
12.1	Information	Behaviour in environmental compartments: little toxic for waterorganism Other ecological advice: no known data

13	DISPOSAL CONSIDERATIONS	
13.1	Disposal	To be removed in accordance with local regulations on chemical waste. Empty packing can be considered as a waste product.

14	TRANSPORT INFORMATION	
14.1	UN number	Not applicable
14.2	Packaging category	Not applicable
14.3	Land transport	Not applicable
14.4	Sea transport	Not applicable
14.5	Air transport	Not applicable
14.5.2	Correct technical name	
14.5.3	Other Information	DULON® Poly Polish is not classified as hazardous for transport.

15	REGULATORY INFORMATION	
15.1	Information on the warning label	Labelisation according to the law of environmental dangerous materials. not classified as hazardous to users.
15.2	National regulations	Not applicable
15.3	Risk phrases	R10
15.4	Safety phrases	2 keep out of reach from children, 46 62 In case of swallowing do not stimulate vomiting, contact a doctor instead and show the packing or label.

16	OTHER INFORMATION	
16.1	Purpose of use	
16.2	Directions for use	data sheets providing directions for use are available from Dulon International.
16.3	Other information	To the best of our knowledge, the information contained herein is accurate. However, Dulon International assumes no liability whatsoever for the accurate of the information. Final determination of the suitability of any material is the sole responsibility of the user. All materials may present unknown and should be used with caution and in accordance with the recommended methods of application.

Reasons for the confidentiality of the information:

The precise composition of this product is proprietary information.

More details will be supplied in confidence to qualified medical personnel if specific treatment is necessary.

We reserve the right to withhold information on the ingredients in the interest of protecting our formula.
